DO YOU WANT YOUR PHOTOS RETURNED?

I would like my materials returned so I am enclosing a self-addressed, stamped, appropriately-sized envelope. (If you don't, your photos will not be returned.) Please note, that we cannot guarantee the safety of your photos in the mail once we've returned them, so please make duplicates of all irreplaceable photos.

* NOTE: If you are choosing from the first 3 layouts of any size, see the details above for message length and photo quantity guidelines. Put your student's name on the back of each photo. Do not send proofs or copyrighted photos, we cannot remove watermarks. You may also submit .jpg photos on a CD but only if they are at least 300 DPI actual size. DO NOT try to save photos from websites such as photo bucket or facebook- they are usually too low resolution. Mail a print out of your message typed in a plain font on white paper; messages may also be submitted as word documents or .txt files on a disc or pasted into the body of an email.

* NOTE: If you are selecting "camera ready": Camera-ready means you must paste down all photos and text in place on a clean background or submit a photo-quality print out of the entire ad on glossy photo paper. The whole ad must fit within the dimensions given above. Digital submissions are also acceptable but must be ONLY .jpg files with a minimum resolution of 300 DPI actual size (.pdf, .doc, .docx, .pub, .ppt and .psd files are NOT acceptable.) DO NOT use Microsoft Word, Powerpoint, or any online photo sharing tool to create your dedication if you plan to submit it digitally.
