

Extra-Curricular Programs

Saints Peter and Paul Salesian School provides extended care for grades K through 2. Extended care allows students time to finish homework and to socialize with classmates in a well supervised environment. We also provide extended care thirty minutes before school begins.

The School also provides an opportunity for those students who wish to participate in Fine Arts, Ballet-Jazz Dance, Academic Chess and Club on a pay to participate basis.

Saints Peter and Paul Salesian School is closely affiliated with the Salesian Boys' and Girls' Club which facilitates CYO sports activities.

Parent-Teacher Organization

We have an active Parent-Teacher Organization. Our parents are supportive and energetically work to offer financial support to our school through a variety of planned events. Our parent organization also facilitates school events which support community building among our families

Saints Peter and Paul School admits students of any race, color, national and ethnic origin to all the rights and privileges, programs and activities generally accorded or made available to students at the school. It does not unlawfully discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, or any other school related policies or programs.

Mission Statement

"Saints Peter and Paul Salesian School makes every effort to offer students a well-rounded academic experience and a strong spiritual formation.

We believe in the uniqueness of each individual child and strive to provide an environment that allows each child to utilize his or her talents to the fullest."

SAINTS PETER & PAUL SALESIAN SCHOOL

ACADEMIC EXCELLENCE SINCE 1925

History and Philosophy

Saints Peter and Paul Salesian School, located across from Washington Square Park in North Beach, has maintained a tradition of educational excellence in San Francisco since its inception in 1925.

Saints Peter and Paul Salesian School has been under the direction of the Daughters of Mary Help of Christians since 1950. Our school adopts the educational system and philosophy of Saint John Bosco, the founder of the Salesian order.

The system, characterized by warmth, optimism and joy is youth-oriented. Saint John Bosco based his educational system on the concepts of reason, religion, and loving kindness. Saints Peter and Paul Salesian School strives to create a respectful rapport among faculty, staff, students and parents. Our educators seek to create a welcoming presence that attracts and interests students. Our true mission is, as Saint John Bosco said, "To Create Good Citizens of Earth and of Heaven."

General Information

Saints Peter and Paul Salesian School has a Kindergarten through Eighth Grade program.

We have a faculty comprised of dedicated religious and lay individuals. Our faculty works closely with our school counselor and

our resource teachers.

We offer a strong academic program which emphasizes the core curriculum.

We also incorporate computer, library, physical education, religious studies, art, music, and second language Spanish classes for all grade levels.

- Kindergarten is a full day, developmentally appropriate class.
- We have para-professionals on staff to assist students.

- Junior High students experience departmental teaching which allows us to provide teachers with specific expertise in their subject area. Our junior high students rotate from class to class, and we feel that this is excellent preparation for high school.

- Conversational Spanish is taught on all grade levels.
- All students attend computer classes in our technology lab.
- The Library is well stocked and our faculty assists students with library skills and research.
- Rhythm and Moves provides a music and physical education program for all grades.
- Science Lab is available for Grades K to 8.
- Fine Arts classes are taught in the Junior High.
- Choir is available for Grades 3 to 8.
